Welcome to The Studebaker Drivers Club 2025 Pacific Can-Am Zone Meet

Hosted by the Northwest Chapter at Spirit Mountain Casino

Randy Lorence, NW Chapter President

As the president of the Northwest Chapter of the Studebaker Drivers Club, I am very happy to invite you to attend the Pacific Can-Am Zone Meet this coming September. I hope many of you will plan to hop into your Studebaker and drive out to the event. I can promise you that the drive is sure to offer for your enjoyment some the Pacific Northwest's most beautiful scenery.

This year we are returning to Spirit Mountain Lodge and Casino in Grande Ronde, Oregon. The reasons for our return to this location are many: lodging costs paid a big part, but most importantly, the positive feedback from 2022's attendees. If choosing to drive, you will pass through some of the best vineyards, nut tree orchards, and beautiful landscapes in route to the lodge. Lodging and zone meet events are at a fantastic facility owned by the Confederated Tribes of the Grand Ronde, which is a great jumping off point to the Pacific Ocean beaches, outlet mall shopping, a dozen wine tasting venues within a 32-mile radius, many golfing venues, some of the largest airplane museums in the nation, and the Tribe's Chachalu museum and cultural center.

We have arranged a good price on rooms and will have a great Friday night social gathering (just like we did in 2022). A highlight of the Saturday

Night Banquet Dinner will be a guest speaker, either Doug Pollock or his son, who will share with us the story of SMS Auto Fabrics in Canby, Oregon. At Saturday night's banquet we will also have a Live Auction and a Blind Auction, as well as a 50/50 raffle.

And of course, earlier in the day on Saturday, there will also be a car show with plenty of Studebakers for your viewing pleasure. And not that you needed any more reasons to attend the Saturday dinner, but the car show winners from the people's choice awards will be announced with their photos displayed during the dinner event on a large screen. Who doesn't love looking at Studebakers while enjoying a nice meal?

This event is also a great opportunity to reunite with our Studebaker friends from around the northwest zone from both the US and Canada. And if you are from farther afield than the northwest, you are of course also welcome.

We strongly encourage you to make your plans and register soon as possible. (Last year the lodge sold out of rooms for the event dates.) We have a great group ready to welcome you and make this Pacific Can-Am Meet a great experience. So, without further ado, register now, shine up those Studes, and plan on joining us in September.

GPS GUIDE

If you are using a GPS (Global Positioning System) to get you to the Spirit Mountain area, try entering the address, 27100 SW Salmon River Highway, Grand Ronde, OR. If that doesn't give you the results you want, try 27100 Highway 18, or enter the name, Spirit Mountain Casino.

The Latitude / Longitude Coordinates are 45.060007,
-123.582178

HELPFUL HINT: If you start relying on your GPS to guide you before you reach Interstate 5 Exit 253, you risk being routed over some narrow rural roads and/or congested city streets. It will probably get you there but we recommend that you stay on I-5 until you get near Exit 253 before engaging your GPS.

Located only 60 miles from Portland, Spirit Mountain Lodge has a variety of room types, all of which have a mini-fridge, Keurig coffeemaker, cable TV, iron, and ironing board. The Standard rooms have either two queens or one king bed. There is 24-hour front desk service and free parking and free Wifi.

Plus, there is a cafe (Sips) serving coffee and tea onsite.

And of course – let's not forget that for entertainment (between checking out all the Studebakers at the event) there is a casino onsite, which is the largest non-smoking casino in the state. The casino has table games, such as exhilarating blackjack, tempting roulette, and the laid-back game of Pai Gow, as well as slot machines and Keno. Plus, if you love sports, there is online sports betting through an app that can be downloaded from Spirit Mountain's website and then enjoyed on the big screen TVs at the lodge's sports bar.

People's Choice Judging

Why People's Choice? The Northwest Chapter has decided, based on our prior hosting experiences, that People's Choice Judging is our preferred way to judge the vehicles at the shows that we host. This is because the Northwest Chapter found in its experience that formal judging to establish trophy winners at a car show can be difficult for a number of reasons. In particular, the club found that it was difficult to find enough qualified judges and then it seemed unfair to require those judges to spend the entire car show busy judging, with no time to relax and enjoy the cars. Plus, formal judging requires the car owners to be with their car when it is judged, which also restricts the time of the car owners at the show. The club also noticed that fewer people were entering their cars for judging and more car show attendees wanted their vehicles to be for display only.

As a result of all the above considerations and because we want the zone meet to be enjoyable for all participants, we are doing "People's Choice Judging," which was a big hit at the last zone meet we hosted in 2022.

How does it work? Under People's Choice Judging, every registered zone meet participant will receive a ballot to select their favorite car in each category. (For example, if you registered a family of 2, you will receive 2 voting ballots.) All of the cars on the show field will be candidates for judging. The ballots will be tallied after the car show and awards for each category (listed below) will be presented at the awards dinner banquet on Saturday night. (The awards banquet is a ticketed event for which you need to pay an entry fee in advance – at the time of registration, which includes dinner.) Our hope is that this type of judging will make the car show much more enjoyable for everyone!

Car Show Time & Location. The car show is on Saturday, September 13, 2025 from 10:00 to 2:00pm. However, all car show participants need to start lining their cars up for a photo of their car **by 8:00am**. Photos will be taken of the cars and drivers as the cars are entering the car show area. After having the car's photo taken, the cars will then proceed to the car show area, where one of our volunteers will direct the cars and trucks where to park based on their category. The car show will take place in the Gray parking lot located behind the Spirit Mountain Casino. There will be signs and volunteers indicating where to go once in the area. Have your car parked by no later than 10:00am for People's Choice Judging.

2025 Pacific Can-Am Zone Meet People's Choice Judging Categories. Please note: People's Choice Judging is not formal 400-point judging. Instead, the attendees will mark their ballots with the identifying number of the car they like best in each category. The voters should use whatever judging standards they think are appropriate.

Ballot Categories.

First, second, and third place awards will be given based on the highest number of ballot votes received from the people in the following categories:

1. Pre-war, 1904-1946;
2. Post-war, All non- C&K, 1947-1958;
3. C&K Coupes & Hardtops, 1953-1961;
4. Lark-type, 1959-1966;
5. GT Hawks, 1962-1964;
6. Avanti – Studebaker;
7. Avanti - All others;
8. Trucks, 1902-1964;
9. Non-stock, Studebaker-powered;
10. Non-stock, Not Studebaker-powered;
11. People's Choice.

Non-ballot Categories.

The Northwest Chapter will select the winners for the following awards:

1. Longest distance driven in a Studebaker, Canada;
2. Longest distance driven in a Studebaker, US;
3. Hard Luck Trophy;
4. Two Best Of Show Awards: 1-8 and 9-10.

TROPHY SPONSORSHIPS

We are offering you an opportunity to sponsor the trophies, First, Second and Third Place, in one or more of the Judging Categories. Each category may be sponsored for a contribution of \$35.00. Your Sponsorship will be acknowledged during the Awards Presentations at the Banquet. If you would like to support the SDC Pacific Can-Am Zone and the Northwest Chapter with this generous gesture, please contact Jerry Blount at (503) 799-9317 or studebakercenteroforegon@comcast.net. Jerry can tell you what categories are available for sponsorship. Your contribution check should be payable to "Northwest Chapter, SDC" and mailed to Northwest Chapter Treasurer, Tom Hart. Tom's address is

Wine Tasting Tour.

There is a wine tasting loop that starts traveling East from the hotel. On Hwy 22 you will find Chateau Bianca Winery, Benedetto Vineyards, Eola Hills Wine Cellars. Taking a short jaunt, you can include Legacy Estate Vineyard on Oak Grove Rd. Finding your way to Hwy 221 your next stop will be Denison Cellars, Audeant Wines and Tastings. Going West on Hwy 153 and turning on Eola Hills Rd., you will find Varnum Vintners and Grochau Cellars. Set your GPS and let it guide you through some scenic route or return to Hwy 153 and find Coelho Winery. You can explore some of the area on your way back to Grand Ronde and find the Coleman Vinyard, J Wrigley Vineyards, Roshambo Artfarm Art + Science (might be closed) and Ransom Wine Company and Distillery tucked away in the hills on your way back to Spirit Mountain.

Pacific City

Visit the ocean town of Pacific City 27 miles from the hotel. This peaceful little coastal town has a 200-foot sand dune to climb and a unique breakwater that offers surfers and anglers rich rewards. This is home to Cape Kiwanda and Haystack Rock. Pacific City's beach provides fishermen with the safest route out to sea. Using special shallow-draft boats called dories, they launch straight into the surf; on the way back in, they sound a loud horn and surf right back onto the beach. You can charter a day of fishing with one of these dories or grab a seat at the Pelican Pub and brewery and enjoy fine food and unique brews brewed on site and watch the beach from their "on the sand deck" or sheltered inside in a very nice restaurant.

Casino Tour

You will not have to travel far to enjoy Casino activity since your hotel is part of the Spirit Mountain Casino. Spirit Mountain is operated by the Confederated Tribes of Grand Ronde and is the largest of the 10 Casinos in Oregon. There is also a Casino in Lincoln City called Chinook Winds, owned and operated by the Siletz Tribe, which is 24 miles from the Meet hotel.

Golfing Opportunities

There are several Golf courses of note in the area and on the Oregon Coast. There are 14 golf courses within 30 miles of the host hotel. Several of these like the Neskowin Beach Golf Course and Westin Salishan Golf Links are located right on the beach. Salishan is modeled after Scottish Links.

Tillamook Creamery and Tillamook Smoker

One of the largest visitors' attractions on the Oregon Coast is the Tillamook Creamery in Tillamook OR 45 Miles from the host hotel and on the way to the Train ride event on Sunday. The creamery has a self-guided tour where you can see how the cream and cheese is made. There is a sampling area for the different kinds of cheese. There is a large gift store and a place to buy any of their cheeses. Of course, you will also not want to miss buying some of the best ice cream in the world while there. And just up the road is the Tillamook Smoker with great selections of smoked items that will be worth the stop as well.

Museums

Evergreen Air & Space Museum, located in McMinnville on Hwy. 18 is home of the one-of-a-kind Spruce Goose, plus many other aviation displays.

Tillamook Air Museum is located just off Hwy. 101, south of Tillamook. It is housed in one of the two World War 2 Blimp Hangars. It looks big from the highway, but walk inside, it looks even bigger.

Shopping

Woodburn Outlet Mall, off of I-5 in Woodburn has easy access and many, many brand name stores. Depending on your route to the meet, it might be too good to pass by and not take a look. From the Hotel you can travel 26 miles to the Lincoln City Outlet mall for a nice smaller mall with even an axe throwing area for entertainment.

Grand Ronde History

Chachalu Tribal Museum & Cultural Center in Grand Ronde presents the history of the Grand Ronde Tribe. Open from 10:00am-4:00pm Friday & Saturday. Closed Sundays.
